Dear Dr. B. Klima,

It is our great pleasure to inform you that, after consultation in the CMS Search Committee and endorsement by the CMS Management Board, the CMS Collaboration Board has formally approved your appointment as Chairperson of the CMS Publication Committee. Congratulations!

The Committee oversees the publications of CMS papers, including notes and ensures their high quality. It proposes rules and guidelines, or amendments to these, for CMS publications to the Collaboration Board. In your role you will report regularly to the Collaboration Board.

Your 2-year mandate will start on Sept 1, 2017, and we truly hope that you can arrange to be continuously available for this important function in our collaboration. With above 600 publications published or submitted since 2010, this is one of the most essential but intensive tasks within our collaboration.

Sincerely yours,

Dr. Joel Butler - Spokesperson of CMS

Prof. Jorgen D'Hondt - Chairperson of the CMS Collaboration Board
